#### **About e – Seminar**

Artificial Intelligence (AI) and Machine Learning (ML) are becoming part of our day to activities without much notice. They influence every sector of our life and involvement of these is changing our cognitive ability and enhancing the work efficiency. Government of India is also pushing towards AI applications that have social benefits like healthcare, education and agriculture etc. Mathematics plays an important role in building AI and ML by using mathematical principles like Calculus, Linear algebra, Probability, Statistics and optimization and many. Guidance of expert speakers and their experiences will be helpful to all academicians, researchers and students for improvement of knowledge and involvement in this new technology.

#### About College

Krishna Mahavidyalaya, Rethare Bk. is a rural educational institution in satara district of Maharashtra. The college was established by Hon. Jaywantrao Bhosale, President Shetakari Shikshan Prasarak Mandal, Rethare Bk. on Jun 06, 1978 in view for quality education to the rural students with agricultural and worker background and since then it has been playing pioneering role in providing quality education in the society. College has glorious tradition of art, culture and academic excellence. Our college has accredited with B+ with CGPA 2.65 grade in 2017 by NAAC and marching towards third cycle of NAAC

#### Copy move Forgery:

- 1. Copy-move is one of the most widespread image tampering technique.
- 2. Also it is very difficult to identify this type of forgery as the copied image is taken from the same image.
- 3. "In Copy-Move image forgery, a part of the image is copied and pasted to another part of the same image

# The Role of Mathematics & Computer Science in Artificial Intelligence (AI) and Machine Learning (ML)

## 31st August 2020

A One Day National e- seminar on "The Role of Mathematics & Computer Science in Artificial Intelligence (AI) and Machine Learning (ML)", was held at Krishna Mahavidyalaya, Rethare Bk. (KMR), on 31st August, 2020, organised by Department of Mathematics, Department of Statistics and Internal Quality Assurance Cell (IQAC), KMR. Mr. Haradas. V. Patil, Associate Professor and Head, Department of Mathematics, was convener of the e-seminar. Principal, Dr. Chandrakant. B. Salunkhe, Invited Speakers Professor Gourish . M.Naik , Professor and Head, Department of Electronics, and also Dean of Natural Science, Goa University, Goa and Professor Shivanand. S. Gornale, Department of Computer Science, School of Mathematics and Computing Sciences and also Director, IQAC, Rani. Channama. University, Belgavi, IQAC Co-ordinator Dr. Dhanaji. S. Dalavi, Head, Department of Organizing Secretary of this e- seminar Mr. Sagar. S. Tawade, Department of Statistics. Principal, Dr. Chandrakant. B. Salunkhe inaugurated the e-seminar and released Souvenir of the e-seminar during the inauguration Mrs. Desai R. S. has proposed Vote of thanks in the inauguration function.

There were about 423 (342 non KMR) participants' registration from various states of India as well as from abroad. There were 2 invited talks delivered by highly respected Professors from leading universities.

Mr. Haradas. V. Patil, convener of e-seminar, welcomed the delegates and participants and explained the idea behind the theme of e-seminar as a platform to facilitate deliberation which will provide knowledge of changing role and critical place of Mathematics in science and emerging digital technology.

In first session Dr. Mrs. Sunita. H. Jadhav, Assistant Professor, Department of Botany introduced our invited speaker Professor Gourish. M. Naik. He delivered a invited talk on "The Role of Mathematics & Computer Science"

in Artificial Intelligence (AI) and Machine Learning (ML)". He discussed how the different branches of Mathematics are required to develop AI and ML, and proved that how AI and ML are becoming our part of our life and it has wide applications that have social benefits like healthcare, education and agriculture etc.

In second session Mr. Sagar Tawade, Department of Statistics introduced our another invited speaker Professor Shivanand Gornale. He delivered a talk on "Document Image Analysis for Forgery Detection using Digital Image Processing Techniques". He applied Mathematical methods to digital image processing and analysed image for Forgery Detection using Digital Image Processing Techniques.

At the end, on the behalf of organizing committee, the IQAC Co-ordinator Dr. Dhanaji. S. Dalavi, Department of Physics thank Principal and staff, all invited speakers, delegates, participants and last but not the least, researchers and students for their contribution towards successful organization of the e-seminar.

Overall e-seminar was really nice one, truly well organised, maintaining time schedule and, especially, with a free registration to encourage researchers and students and to enhance awareness of need for research to meet societal need.
