Report of the Webinar

Department of Botany, Science Association and IQAC, Krishna Mahavidyalaya, Rethare Bk. Organized National Webinar on "ROLE OF BOTANICAL GARDENS IN ECOLOGICAL RESTORATION" on the Occasion of World Environment Day on 5th June 2021.

Virtual National Webinar on 'Role of Botanical Gardens in Ecological Restoration' is envisaged to provide knowledge and awareness about importance of botanical gardens in maintaining ecosystem balance and restoration of resources. The overall objective of this webinar is to inculcate awareness of environment conservation.

The eminent speaker of the webinar was Prof. Dr. C. B. Salunkhe Principal, Krishna Mahavidyalay, Rethare Bk. The webinar was organized through Google Meet sharply at 11.00 am to 12.30 pm. Mr. Gaikwad N. V. gave the introduction of the webinar. Dr. C. B. Salunkhe in his speech explained in detail how botanical gardens play an important role in ecological restoration. About 187 participants including staff and students of various colleges were present for the webinar. Miss V. L. Kamble provided technical support. Dr. S. H. Jadhav proposed a vote of thanks.
