Krishna Mahavidyalaya, Rethare BK

Vision

This College's aim is,

- ✓ To impart qualitative and valuable services in the field of higher education to the students from the villages, especially boys and girls of farmers, without making any distinction of the region, caste, creed, class, or residential places.
- ✓ To impart scientific knowledge to the students and to inculcate a scientific attitude and thinking amongst the students.
- ✓ To attain community and social development through the infrastructure facilities of the institution.

Mission

- ✓ To provide maximum facilities for education at all levels and to the rising generations of India, particularly the residents of Maharashtra.

Goal and Objectives

- ✓ To ensure and inculcate discipline in terms of regularity, sincerity, and punctuality amongst the students.
- ✓ To develop the overall personality of the students through NCC, NSS, extracurricular activities, and cultural programmes.
