Industrial Visit

B. Sc. III Year 2023-24

The department of chemistry arranged an Industrial visit at Yashwantrao Mohite Krishna Sahkari Sakhar Karkhana Ltd. Rethare Bk, Tal-Karad, Dist-Satara on 24th February 2024. During visit about 23 students and 04 staff members visited. The main purpose of the said visit was to observe actual processes carried out in the production of alcohols, auto filling unit of country liquor and to observe various latest equipment/instruments sugar industry.

Initially we visited to the Main Office of Y. M. Krishna Sahkari Sakhar Karkhana and then to distillery section where chief chemist gave information about production of alcohol in the industry and packaging of country liquor. Students observed all the steps involved in the conversion of molasses to ethanol. Students were encouraged and introduced with various processes on which they have to work in future life. After that we visited to sugarcane to sugar production unit followed by cogeneration section. Students observed the different processers and how it works that may be helpful for research works. Students enjoyed the entire industrial visit which is very helpful to clear their theoretical concepts.
