NATIONAL SCIENCE DAY

Jointly Organized by

Department of Physics and Science Manal's

Day and Date: Monday, 01/03/2021

Time: 2:30 pm to 3:30 pm

Activity Report

National Science Day is celebrated all over India with great enthusiasm on 28th of February every year in order to commemorate the invention of the Raman Effect in India by the Indian physicist, Sir Chandrasekhara Venkata Raman on the same day in the year 1928. For his great success in the field of science in India, Chandrasekhara Venkata Raman was awarded and honored with the Nobel Prize in the Physics in the year 1930.

The main objective of National Science Day is to bring awareness to people about the importance of science in our daily life and to encourage people by popularizing Science and Technology. Every year, the day is celebrated with a particular theme. This year, the theme of National Science Day 2021 is "Future of STI: Impacts on Education, Skills, and Work". As students/teachers, it is our responsibility to honor the great man and his invention, by contributing greatly to the field of science through innovation.

With the moto of theme Mrs. V. L. Kamble, coordinator of science Mandal's committee given brief introduction of the National science day, why it is necessary and its history. Dr. Dhanaji S. Dalavi, Head dept of Physics explained importance of science in our day-to-day life and briefly elaborated biography of Sir. Chandrasekhar Venkat Raman and his research in the field of optics to inspire the students.

Also On the occasion on National science day, dept of physics organized online quiz competition and 62 students, faculty participated in the same. An autogenerated e-certificate of the online quiz have been given to the student
