One Day National e- seminar on

The Role of Mathematics & Computer Science in Artificial Intelligence (AI) and Machine Learning (ML)

31st August 2020

A One Day National e- seminar on "The Role of Mathematics & Computer Science in Artificial Intelligence (AI) and Machine Learning (ML)", was held at Krishna Mahavidyalaya, Rethare Bk. (KMR) , on 31st August, 2020, organised by Department of Mathematics, Department of Statistics and Internal Quality Assurance Cell (IQAC), KMR. Mr. Haradas. V. Patil, Associate Professor and Head, Department of Mathematics, was convener of the e-seminar. Principal, Dr. Chandrakant. B. Salunkhe, Invited Speakers Professor Gourish . M.Naik , Professor and Head, Department of Electronics, and also Dean of Natural Science, Goa University, Goa and Professor Shivanand. S. Gornale, Department of Computer Science, School of Mathematics and Computing Sciences and also Director, IQAC, Rani. Channama. University, Belgavi , IQAC Co-ordinator Dr. Dhanaji. S. Dalavi, Head, Department of Physics, Organizing Secretary of this e- seminar Mr. Sagar. S. Tawade, Department of Statistics. Principal, Dr. Chandrakant. B. Salunkhe inaugurated the e-seminar and released Souvenir of the e-seminar during the inauguration Mrs. Desai R. S. has proposed Vote of thanks in the inauguration function.

There were about 423 (342 non KMR) participants' registration from various states of India as well as from abroad. There were 2 invited talks delivered by highly respected Professors from leading universities.

Mr. Haradas. V. Patil, convener of e-seminar, welcomed the delegates and participants and explained the idea behind the theme of e-seminar as a platform to facilitate deliberation which will provide knowledge of changing role and critical place of Mathematics in science and emerging digital technology.

In first session Dr. Mrs. Sunita. H. Jadhav, Assistant Professor, Department of Botany introduced our invited speaker Professor Gourish. M. Naik. He delivered a invited talk on "The Role of Mathematics & Computer Science

in Artificial Intelligence (AI) and Machine Learning (ML)". He discussed how the different branches of Mathematics are required to develop AI and ML, and proved that how AI and ML are becoming our part of our life and it has wide applications that have social benefits like healthcare, education and agriculture etc.

In second session Mr. Sagar Tawade, Department of Statistics introduced our another invited speaker Professor Shivanand Gornale. He delivered a talk on "Document Image Analysis for Forgery Detection using Digital Image Processing Techniques". He applied Mathematical methods to digital image processing and analysed image for Forgery Detection using Digital Image Processing Techniques.

At the end, on the behalf of organizing committee, the IQAC Co-ordinator Dr. Dhanaji. S. Dalavi, Department of Physics thank Principal and staff, all invited speakers, delegates, participants and last but not the least, researchers and students for their contribution towards successful organization of the e-seminar.

Overall e-seminar was really nice one, truly well organised, maintaining time schedule and, especially, with a free registration to encourage researchers and students and to enhance awareness of need for research to meet societal need.

Copy move Forgery:

1. Copy-move is one of the most widespread image tampering technique.
2. Also it is very difficult to identify this type of forgery as the copied image is taken from the same image.
3. "In Copy-Move image forgery, a part of the image is copied and pasted to another part of the same image"

Artificial Intelligence (AI) and Machine Learning (ML) are becoming part of our day to activities without much notice. They influence every sector of our life and involvement of these is changing our cognitive ability and enhancing the work efficiency. Government of India is also pushing towards AI applications that have social benefits like healthcare, education and agriculture etc. Mathematics plays an important role in building AI and ML by using mathematical principles like Calculus, Linear algebra, Probability, Statistics and optimization and many. Guidance of expert speakers and their experiences will be helpful to all academicians, researchers and students for improvement of knowledge and involvement in this new technology.

About College

Krishna Mahavidyalaya, Rethare Bk. is a rural educational institution in satara district of Maharashtra. The college was established by Hon. Jaywantrao Bhosale, President Shetkari Shikshan Prasarak Mandal, Rethare Bk. on Jun 06, 1978 in view for quality education to the rural students with agricultural and worker background and since then it has been playing pioneering role in providing quality education in the society. College has glorious tradition of art, culture and academic excellence. Our college has accredited with B+ with CGPA 2.65 grade in 2017 by NAAC and marching

One day e-seminar on

'Recent Trends in Fuzzy Mathematics'

17th December 2020

Report

Department of mathematics has organized a one day e-seminar on **"Recent Trends in Fuzzy Mathematics"** under lead collage activity on Thursday 17th December 2020 sponsored by Shivaji University ,Kolhapur.

The main aim of this workshop is to know about the detailed concepts, recent trends and applications in Fuzzy Mathematics as well as creation of interest in Mathematics. So it will be useful for students for their further study and career. We invited Dr. Yadav. J. D., Head, Department of Mathematics, S.G.M, collage Karad as a resource person .

He delivered valuable and informative lecture on fuzzy sets, fuzzy logic and its applications as well as recent trends in fuzzy mathematics. His lecture was very informative and fruitful to our students. Total one hundred and forty (140) candidates are registered for this seminar and fifty eight (58) participants are benefited by this e-seminar.

Prof. H. V. Patil introduced this e-seminar and Prof. C. Y. Chavan, Head, Department of Chemistry has taken Presidential Chair with presence of Principal Dr. Salunkhe. C.B. and teachers, Anchoring was done by Prof. Mrs. V. L. Kamble and Vote of thanks by Prof. S. S. Tawade, Department of Statistics. Seminar was very informative and fruitful to all.

Crisp and Fuzzy example

One can define the crisp set "circles" as:

$$C = \{ \text{circle 1}, \text{circle 2}, \text{circle 3} \}$$

The fuzzy set "circles" can be defined as:

$$\{ \text{circle 1} \rightarrow 0.15, \text{circle 2} \rightarrow 0.35, \text{circle 3} \rightarrow 0.55, \text{circle 4} \rightarrow 0.85, \text{circle 5} \rightarrow 1.05, \text{circle 6} \rightarrow 1.05, \text{circle 7} \rightarrow 1.05 \}$$

Birth Anniversary of Great Mathematician Srinivas Ramanujan 2020 - 21

Report

Department of Mathematics and Statistics has celebrated Birth Anniversary of Great Mathematician Srinivas Ramanujan on 22nd December 2020 at 12.30 p.m. in the senior wing. Total 24 faculty members are participated in this Celebration.

The main objective behind the celebration is to raise awareness among the people about the importance of mathematics for the development of humanity and to remember his works, teach them to our students and encourage making strides in the field of mathematics. Spread mathematics learning and understanding. Also, to recognize works of Srinivas Ramanujan.

Dr. C B Salunkhe, Principal of Krishna Mahavidyalaya, Rethare Bk shared his views on Great Mathematician Srinivas Ramanujan and also Mr. H V Patil talks on significant contributions of works of Ramanujan to mathematics and to spread mathematics learning and understanding. Vote of thanks given by Mr. Tawade S S. This event of celebration helps to recognize and remember works of Ramanujan and encourage the student's interest in mathematics.

Quiz Competition 2020-21

Report

Department of mathematics and statistics has organized Quiz competition on the occasion of "National Science Day 2021" dated 05/03/2021. In this competition total 24 students are participated. The main object of this innovation learning approach was to increase student's interest in basic mathematics and science and also to enhance student participation in acquiring the knowledge in the use and applied aspects of mathematics and science. Theses quizzes stimulate self and collaborative learning. The enhance the cognitive level of mathematics students and also helps them to retain academic content.

It is clear from the observation that the quiz competition helps the students In making learning in an interesting experience, In creating interest in the subject, to refer more number of text books and to read the topic in the depth and to increases desire for learning more and more about the subject. Such quiz competition also help in developing MCQ bank and leads to validation of MSQs.
