### Department of Chemistry

#### Industrial Visit

#### B. Sc. III Year 2017-18

The Department of Chemistry had arranged an industrial visit at Sona Chemicals Islampur, Shivaji University Kolhapur, Daily Pudhari Press Kolhapur on 15<sup>th</sup> March, 2018. About 36 students and 5 staff members visited. The main purpose of the said visit was to observe actual processes carried out in the production of chemicals, to observe various latest instruments in university departments and how the news papers are actually printed in the press.

Initially we visited to the Sona chemicals industry, lab chemist gave information about production of various chemicals in the industry and its importance. Students observed all the steps involved in the production of various chemicals. Students get encouraged regarding small scale industry setting in future life. After that we visited to department of chemistry Shivaji University, Kolhapur. Students observe the instruments and how it works and helpful for research works. So many students have decided to do the M. Sc. at University.

Lastly we visited to the printing press unit of daily pudhari. All of us observed the process of printing of news paper. Students enjoyed the entire trip.
