1. Alternate source of energy and energy conservation measures

The Institution has facilities for alternate sources of energy and energy conservation measures

1. Central switch for A and B Building
2. LED Bulbs & Tubes in departments, office, corridor and laboratory.
3. Battery in various departments

2. Management of the various types of degradable and non- degradable waste

- Solid waste management

For the management of solid waste generated from, office, various departments and laboratories an agreement has made with Gramapanchayat Rethare Bk. Tal. Karad Dist Satara. The college will store the solid waste at particular place throughout the week. The Ghanta Gadi of gramapanchayat will collect solid waste from the college at every Saturday of the week. The collected solid waste is the property of gramapanchayat. For this service, no remuneration will be provided to the gramapanchayat.

- Liquid waste

Our College run Liquid waste management by making large settling tank and absorption pit. The wastewater liberated from various departments were collected into large settling tank through pipes. Excess water is released into absorption pit. . All teachers and students are involved in this project.

- E- waste

For the management of E waste generated from the college an agreement has made with Royal Technology, Shivanagar Tal. Karad Dist Satara,. The college will store the E waste at particular place throughout the six month. After six month, the college will upload the collected e waste to agencies vehicle. For this service, remuneration will be provided which both the parties decide

- Vermi composting

3. Water conservation

- Rainwater use in Chemistry lab as distill water.

The department of Chemistry uses a rainwater harvesting method for water conservation. The rainwater that runs off from rooftops are collected and stored in two tanks of 500 liters. Such stored rainwater is used for practical's instead of distilled water which promotes both water and energy conservation.

- Distilled Water Tank
- Bore well
- Use syntax tank for water
- Pipeline

4. Green Campus initiative

For the green campus institute has arranged various programme

Green Campus Initiative			
Year	Activity	Duration	Number of participants
2021-22	Mazi Vasundhara (Cultural)	01/01/2021	76
	Geography Day (Geography)	14/01/2021	218
	Ground Water conservation - Seminar	15/07/2021	114
	Tourism Day (Geography)	27/09/2021	126
	Cleanliness Campaign	Oct-21	47
