Notice

Plastic Ban

Whole World is facing a serious problem of plastic. As we know plastic is damaging every living thing on the earth with non- biodegradable bags, bottles, packing materials and what not. Our college is not expectation to it. That's why the management implemented the policy of Plastic Free Campus, with a ban on every plastic commodity for teaching, non-teaching staff and the students. All the stake holders are informed with the notice of plastic less than 50 micron is strictly ban in the college campus.

All are requested to the part of this awareness movement.

Your cooperation highly appreciated.
