**ONE-DAY STUDY TOUR (FIELD VISIT REPORT)**

**Place: Yashwantrao Mohite Krishna Sahakari Sakhar Karkhana, Rethare Bk**

**Date: 30<sup>th</sup> March 2022**

**B.Sc. Part- III**

A one-day study tour (field visit) for B.Sc.III physics student was arranged on 30<sup>th</sup> February 2022 to visit Yashwantrao Mohite Krishna Sahakari Sakhar Karkhana, Rethare Bk. Mr. Vinayak S. Jadhav along with other teachers accompanied the B.Sc. III students.

The main purpose of the said visit at the sugarcane factory was to observe the co-generation power plant/electricity from sugarcane bagasse and to achieve practical knowledge of how electricity can be generated from sugarcane bagasse.

As the sugarcane factory is nearby our college campus, we started our journey early in the morning at 8.00 am and reached there at 8.20

Engineers gave detailed information about the co-generation power plant which has a capacity of 16 MW. We had made thorough discussion on the production of power/electricity from sugarcane bagasse through steam. The pressure of steam required to rotate the turbine. The principle and working of the turbine have been explained in detail.

The power plant at Yashwantrao Mohite Krishna Sahakari Sakhar karkhana is one of the largest bagasse co-generation plants in Maharashtra which has a capacity of 16 MW. It uses bagasse during the sugarcane crop period to generate steam and electricity for the cluster and electricity for the national grid.

Subject: Request for permission to visit Co-generation power plant.....

Respected Sir,

With reference to the above-mentioned subject, our 05 students from department of Physics would like to visit co-generation power plant of Yashwantrao Mohite Krishna Sahakari Sugar Factory on 30<sup>th</sup> March, 2022.

Herewith I kindly request you to permit us to visit co-generation power plant installed by our factory.

Please do the needful.

## Department Of Commerce

### Bank Visit-“Krishna Co-operative Bank, Karad”

17/05/2022

## SUMMARY REPORT

The senior commerce department of Krishna Mahavidyalaya Rethre Bkll organized Bank Visit to “Krishna Co-operative Bank, Karad” on 17/05/2022 as per curriculum activity.

During the visit the students got information regarding ATM facility, clearing and deposition of cheques, loan account, cash credit account, current account, saving account and other banking transactions. The bank staff fully co-operated with us.

Principal Dr. C. B. Salunkhe guided the teaching staff for the successful organization of the visit.

**STUDY VISIT: Horticulture Unit, Shere Farm, Jaywantrao Bhosale Krishna Agriculture College, Rethare Bk.**

*28 January 2020*

**REPORT**

To provide the 'Knowledge in Nursery Technique' to the students, Department of Botany organized study-Field Visit at Horticulture Unit, Shere Farm, Jaywantrao Bhosale Krishna Agriculture College, Rethare Bk. About 45 students get benefit of study visit.

Dr. Jagadale A. R. and Dr. Mali D. S., Assistant Professor of Jaywantrao Bhosale Krishna Agriculture College, Rethare Bk was given information of different units of Shere farm such as Rose grafting section, Gerbera plantation in polyhouse, Guava farm, Cabbage farm, Rosary etc. Students get thorough knowledge of various horticulture techniques through this visit. Three staff members namely Dr. S. H. Jadhav, Study Tour In-charge, Mr. Suryawanshi P. A. and Miss Gosavi Kirti organized study tour in very virtuous manner. Faculty members of Agriculture College also arranged visit of our students to all the departments of their Agriculture College. In this way Jaywantrao Bhosale Krishna Agriculture College, Rethare Bk. provided very useful information which will be definitely helpful to our students in future.

**Subject: Permission for Visit to Horticulture Unit of Shere Farm on 28<sup>th</sup> January  
2020**

Respected Sir,

On behalf of our college, I am writing letter to you for getting your permission to conduct a study visit to horticulture unit of Shere farm.

We, decide to give some practical knowledge to the students about Nursery Technique and Management. For that, your firm is the best to carry on such course activity. In that case, we need your support. The 45 students will be the part of the visit accompanied by two teachers.

Hope you understand the need of the trip for the 'Knowledge in Nursery Technique' purpose.

Thanks and Regards,

Principal

Industrial Visit - “Krishna Sarita Mahila Bazar Malkapur”

17/05/2022

### SUMMARY REPORT

As per part of the curriculum activity of the Senior Commerce Department, Krishna Mahavidyalaya, Rethare Bk|| Organized Commercial Industrial visit” on 17/05/2022 at “Krishna Sarita Mahila Bazar Malkapur”. B.Com II (20) students participated in the visit. Miss Kanase D. B. and Mrs. Patil V. S. were also included in the visit.

During the visit the Students got information regarding goods and service marketing, cash and credit bills, marketing strategies system of production sorting etc. The bazar staff fully cooperated with us.

Our Principal Dr. C B. Salunkhe guided the teaching staff for the successful organization of the visit.

**WORLD WETLAND DAY 2020**  
**FIELD VISIT AT BAHE RAMLING BET (ISLAND)**  
**REPORT**

Department of Zoology, Krishna Mahavidyalaya, Rethare Bk. arranged a field visit at **Bahe Ramling Bet (Island)** on **4<sup>th</sup> February 2020** on occasion of **WORLD WETLAND DAY 2020**. Bahe Ramling Bet (Island) is one of the wetland located in Walwa Tehsil, Sangli District, Maharashtra, 10 Km. away from our college.

All the students and faculty arrived at 08 a. m. from Krishna Mahavidyalaya, Rethare (Bk.). Prof. Dr. S. S. Patil Sir gave the information about Wetland ecosystem, biotic and abiotic factors, climatic conditions with respect to floral and faunal diversity of Bahe Ramling Bet (Island).

Prof. Dr. S. S. Patil Sir mainly focused on study of Wetland Birds and their role in ecosystem. He has given the information about bird watching techniques. All students observed the different kinds of Birds and kept their record in field diary. They recorded 25 species of Wetland and 15 local Birds.

The field visit ends at 05.00 p.m., concluded that field visit was successful and believed that our objective was achieved. Students learned something new and beneficial for us.
