Declaration

This is to declare that, state and central government profile various scholarships, and free ships to the students. Before the academic year 2017-2018, the state/central government invited offline applications from students. After scrutiny and verifications, the state /central government seat sanctioned a letter of scholarship along with a scholarship amount to the institute. Finally, the institute disburses the scholarship amount to the concerned students.

From the academic year 2017-2018, the state gov. / central gov. invited scholarship applications directly through an online portal. The document verification, scrutiny, and approval are done only through an online portal. Only finally the amount distributed directly to the bank accounts of the students.

Therefore, this is to declare that no separate scholarship sanction letter was issued to the institute, herewith we have attached a screenshot of the student's link along with all details of the sanction and disbursement of the scholarship.
